

# CELEBRATING 70 YEARS OF THE ROUTEMASTER

To commemorate 70 years since the pioneer AEC Routemaster, RM1, was first unveiled to the world, EFE Road is delighted to announce four new Routemaster models representing examples of this iconic type during various stages of their extensive careers.

The models are the first to be produced using EFE Road's newly refined Routemaster tooling, and now feature such enhancements as the addition of bodyside panel lines, along with highly detailed liveries and advertisements.

## THE FOUR NEW MODELS ARE:

- **E41701** - RM8 (VLT8) London Transport Red - Route 21 (Sidcup Garage)
- **E41702** - RM1127 (127CLT) London Transport Red - Route 90B (Fulwell Garage)
- **E41703** - RM1546 (546CLT) London Transport Red - Route N82 (Woolwich Arsenal Stn)
- **E41704** - WLT655 Confidence Bus, Leicester - Special Service 00
