SEPTEMBER/NOVEMBER 2023

CP46503A/B Wright Eclipse Gemini 2

Our first Corgi Diecast release will be the Brighton and Hove 419 in absolutely stunning livery dedicated to Sir Harry Ricardo who established the world famous engineering consultancy near the old Toll Bridge in Shoreham in 1927 after inventing the 2 stroke engine for the Dolphin car also used for boats and power plants, Ricardo also designed a series of engines for tanks in World War One also inventing the IDI Diesel engine used around the world with versions still used today, attracting interest from Napier Bristol and Rolls Royce and developing the Rolls Merlin engines used in World war 2 and assisting Sir frank Whittle with his Jet Engine. The livery on this unique model is a well known bright and beautiful sight around Brighton today.

We are producing 2 destinations including route 77 to Devils Dyke and Palace Pier limited to 500 units on each destination.

Both versions available to pre order at 46.90 each or the twin pack at £85.00.

CP46504A/B Wright Eclipse Gemini 2

Zero Emission Centre of Excellence

DECEMBER 2023

CP46601A/B Wright Bus New Bus For London Go Ahead London LT511

In partnership with Go Ahead London and Transport for London we are delighted to announce 'The Kings Coronation' New bus for London from Corgi Diecast. This highly anticipated release is being produced to the usual high quality standard as expected from Corgi and is their most successful bus casting for decades. The model version depicts LT511 on the busy Central London route 87 offering a split destination of Aldwych and Wandsworth. The stunning livery announces "Happy and Glorious, and God save the King" on the side of the model.

Limited to 1000 units Available over 2 destinations

Both versions are available at £46.90 each destination and £85 Twin Pack

Scania Omnicity Double Decker Stagecoach London 15041

Our Final release of 2023 will be one of the last Scania Omnicity's to operate from Stagecoaches West Ham Garage. This will be our second release of our favourite classic Northcord casting in the All over vibrant London Transport red livery.

Final details will be announced later in the summer confirming all the relevant product information about this classic London work horse.

Full product information and details will be announced on The Model Buses Collection website and social media channels. We will also feature all details in our new Coach and Bus Week column in the bus industry Magazine offering selected exclusive offers and variations.

Rewarding loyalty is really important to us at MBC. All our release will be offered to our existing loyal customers on a first come first serve basis.

Selected releases will also be available to our MBC Ireland Partner Brian Collins Enterprises.

MBC Press can be contacted at

Thank you Model Buses Creations

It's thanks to the dedication and generosity of people like you that we can continue to do whatever it takes for people living with cancer. Here are just a few examples of the impact the incredible **£8,844.00** you raised from creating Stagecoach's Macmillan Bus models:

 <p>Paid for a Macmillan Nurse for 37 days, helping people living with cancer and their families receive essential medical, practical and emotional support.</p>	or	 <p>Paid to run the Macmillan online community for 21 & 1/2 days. Helping around 34,232 people access information and support 24/7.</p>
